- AD000197-035-A3 Hall Kinion
- AD000197-042-A3 Lucid Solutions Inc
- AD000197-043-A2 Majestic Systems Integration Company

Upon a recent request for utilization, only (33) contractors reported any usage under their respective contracts. In an effort to streamline the State's administrative activities and to transition away from large multiple award contract sets, we did not seek to

extend all contracts under, AD000197. Accordingly, only contractors reporting usage were offered amendments to extend.

However, agencies contemplating projects under any of the contracts in the later category are encouraged to contact EPSD (Rana Schultz at 602 542 9138 or [rana.schults@azdoa.gov](mailto:rana.schults@azdoa.gov)) at their earliest convenience. With sufficient anticipated volume, these contracts may also be extended through the remaining 9-month term.

Otherwise, all remaining contracts will expire on January 31, 2005 as scheduled. Please contact me if there are any questions in this regard.
